

Request for Additional and Special Services

We are in the process of expanding our programs and services and wish to offer:

1. assistance in finding a job, or better job,
2. assistance in changing careers,
3. assistance in getting job training,
4. assistance in getting into college/trade-school,
5. assistance in obtaining a G.E.D.
6. assistance in learning to use the computer/web (for school, for work, for senior citizens)
7. after school tutoring help for kids (grades K - 12)
8. free music lessons for all ages on guitar, piano, brass, woodwinds, percussion and other instr.

To better serve you, your family, other people, and the communities in eastern Volusia County; please give us a little more information, regarding your interests/needs, so we can design and implement these special programs.

Name: _____ *Your Age: _____ Number living in home: _____

City: _____ Phone #: _____ Best time to call: _____

**We ask your age and ages of your family members below, so that we can get a sample of the needs and age groups, to determine who are the most interested, what their interests/needs are, and for whom we need to develop these programs. We do NOT discriminate for or against anybody regarding age, disability, or any other such reasons to participate in any of our educational or social programs. The Salvation Army is proud of and continues our long heritage that we do not discriminate against anybody, who needs and seeks our help; in any way we can provide it.*

Employment/Educational Assistance for Others in Your Family:

Do you have a spouse, children, grandchildren or an elderly parent, who would be interested or benefit from any of these programs (#1 - #8)? If so please give their name, age, and which of any of the eight (8) programs may be of best interest/help to them. If it regards them learning to play a musical instrument, please specify which instrument they would like to learn to play. If it is for computer/web skills, let us know if these skills are needed for school, work, or for senior citizens.
